

THE CHURCH

AT BROOK HILLS

April 30, 2017

PRAY FOR OUR CHURCH

Praise God for His design for motherhood. Pray all of our mothers will embrace their role and responsibility in preparing their children for the lives to which God has called them. Pray for women who desire to have children but have found that to be a struggle to find comfort in God and His plan for them. Pray for mothers whose children have passed away to find peace in God. Pray for women throughout our faith family who are spiritual mothers to so many to continue in making disciples both here and among the nations.

PRAY FOR OUR CITY

This week we are praying for Abiding Hearts Home Care, a gospel-centered ministry led by Brook Hills members Randy and Courtney Johnson. Abiding Hearts provides living assistance, home maintenance, and physical, spiritual, and psychological care to the sick, elderly, and widowed, while providing an avenue for life-on-life discipleship. Visit abidingheartshomecare.com to find out how you can obey the call to care for the least of these through their "Adopt the Abandoned" care plan. We are also praying for Household of Faith Church and Pastor Larry Cockrell.

DAY 1: Pray for God to be glorified and His kingdom advanced as Abiding Hearts cares for and shares the love of Jesus with those who are abandoned due to widowhood, sickness, or simply the later years of life.

DAY 2: Praise God for the opportunities that He has given Abiding Hearts to serve so many widowed, sick, and elderly individuals. Pray, through God's grace, for all of the relationships to remain rooted in the gospel, grow in sincere love, and produce much fruit.

DAY 3: Pray, as the Church gathers each day in homes to worship with the homebound, for the word of God to go forth in power, faith to be born and strengthened, and the clients to testify that God is indeed Defender of the widow, Healer of the sick, and God of all comfort.

DAY 4: Pray God would place it upon the hearts of individuals and churches to financially support Abiding Hearts so that they may continue to care for the widow, sick, and elderly in their time of distress.

DAY 5: Abiding Hearts currently has a waiting list of sick and widowed individuals in need of care. Pray for the Lord to raise up more volunteers to help meet these needs and invest in disciple-making relationships with the clients.

DAY 6: Pray specifically for the Lord to raise up a gifted volunteer to serve Abiding Hearts in the area of grant writing and donor development.

PRAY FOR OUR WORLD

This week we are praying for Rekindle Children's Hope, serving in Cameroon. RCH is reaching many orphaned, disadvantaged, and abandoned children in villages throughout Cameroon. Their goal is to serve both the physical and spiritual needs of the children in their ministry through feeding programs, tuition for school, and after school programs connecting them to a local church effort for discipleship. To learn more about RCH, visit rchafrica.org. We are also praying for the Wom, a people group of Cameroon.

DAY 1: RCH currently has more than seventy children in their after-school program. Pray for these children to come to know Christ and have a personal relationship with Him.

DAY 2: Pray for the local volunteers and staff who work with the children at RCH on a daily basis. Pray for God to strengthen their faith as they serve. Pray for God to provide more men to volunteer and mentor the boys at the RCH program.

DAY 3: Pray for George Mbuwe, RCH's in-country program director. Pray for God to give him wisdom and steadfastness to care for the children God has appointed to him.

DAY 4: Pray for God to change the hearts and lives of the children RCH is serving and those they come in contact with in the community, so that His name may be exalted among them.

DAY 5: Pray for the leadership and board of RCH to have a vision for developing disciples as they care for the children in their program.

DAY 6: Praise God for the work He is doing in Cameroon through RCH and the children who are being cared for through the program. Pray for God to give RCH more opportunities to come alongside the local church and care for those in need.
