

Our philosophy

The Church at Brook Hills Early Learning Center exists to provide support to the home and to extend the ministry of The Church at Brook Hills to our community.

The Brook Hills Early Learning Center maintains that all preschoolers need to grow spiritually, mentally, emotionally, physically and socially.

We facilitate this by providing biblically based, age appropriate education for preschoolers in a safe, loving, Christian environment.

We believe in order to help children reach their highest potential in their development they must become aware of God and His importance in their lives.

It is our hope that every child's learning experiences here will be both fun and beneficial.

In order to make every child's experience as positive as possible, we will attempt to develop close and cooperative relationships with our our children's parents.

In our endeavor to provide a safe, secure environment to teach and care for all children and students specific goals and requirements have been outlined in a separate "Child Protection First!" policy which has been adopted by The Church at Brook Hills.

Wee Learn Curriculum

We provide opportunities to develop thinking and reasoning skills, use creativity and learning to get along with others. This curriculum is developed around themes which are designed to lay a foundation for understanding God, Jesus, the Bible, the church, self, others and the natural world. We use hands-on learning activities in a learning center environment: books, art, music, blocks, home living, nature, puzzles and manipulatives.

ABEKA Curriculum

We utilize ABEKA in our Threes and Four year old classes. This curriculum is Christian based with its primary focus on Bible, phonics and math.

Music Time

Music Time at the ELC exists to provide a fun and creative environment where children can learn and explore music. We help children learn how to express their talents through music, understand that music can be an expression of praise and worship to God, and use music to teach spiritual truths.

Spanish and Creative Movement

Spanish along with Creative movements is provided for each age group. Everyday words and phrases are presented through interactive games and songs during music time. Children learn new languages quite readily and will have fun as they pick up words and phrases in Spanish.

Activities

Each class has planned learning activities appropriate for the age of the children, offering a balance of quiet and active play experiences. A Bible story time is included each day as well as indoor and outdoor activities. Chapel is conducted once a month for our three and four year old classes.

Extended Care Program

Extended care is available on a limited enrollment basis from 7:00 to 9:00 a.m. and 2:30 to 4:30 p.m., Monday through Friday. This service provides an extended day for children enrolled in the ELC ministry. There is a one time registration fee of \$20.00 per family for this service. Families who register for this service will be charged an additional \$7.00 per session. Please check with our staff about enrollment

2009 Fall Program

Crawlers (6 months) Through 2-Year Olds.

The teachers in the Crawlers, Toddlers and Twos classes provide a loving environment in which young children can explore and practice independence, build vocabulary and social skills, feeling loved and safe at the same time. Toddlers and Twos enjoy music and Spanish twice a week and all groups love the outdoors.

Three Year Olds.

Children make a gradual transition to a more structured environment. The focus is to provide opportunities for play, making choices, social skill development and pre-academic skills. They are also exposed to letters and numbers using the ABEKA curriculum.

Four Year Olds.

Along with the Wee Learn Curriculum letters and sounds, math concepts and scripture memorization is introduced using the Christian based ABEKA curriculum.
