Spiritual

Commitment to Prayer and Bible study—these two Spiritual disciplines need to be a part of your life on a consistent basis.

Commitment to a Small Group—seeking out and sharing life with a small group of believers is an important facet to your spiritual growth. It is our desire that all of those involved in our ministry be involved in a Small Group.

Commitment to Short-Term Missions—seeking ways to get outside of the context of your daily routine to make disciples in other places is a command of scripture. It is our desire that all of those involved in our ministry consistently evaluate and seek out ways to do this.

Standards

Due to the visible nature of our ministry, you must read and be willing to accept the *Standards For Leadership* as defined by our elders. If you have any questions about this, please ask.

Leadership

You are asked to support the leadership of Technical Ministry in thought and speech. God has placed those in leadership at Brook Hills to lead this ministry. We try our best to utilize every person involved in the ministry to their fullest potential. We ask those involved to be supportive of leadership. If a conflict arises, we also asked that it be handled in a Biblical way. This means to have a conversation with the person involved to resolve any issues.

Punctuality

It is the expectation that you will be on time for the rehearsals and sound-checks. This allows us the time we need to prepare adequately for the weekend services.

Time Commitment

Approximately 8 hours per week.

Length of Commitment

One year renewable by mutual agreement.

Dress Code

No tank tops, shorts or cut off jeans. Modesty is the rule and if any questions exist, it is always best to err on the side of conservative as far as dress is concerned.
